

Girls IN AVIATION DAY 2023

SATURDAY
SEPTEMBER 23

SPONSORSHIP PACKAGE

IN PARTNERSHIP WITH

Overview

Since the very first Women in Aviation International - Girls in Aviation Day in 2015, the annual event has grown to host more than 20,000 attendees participating in over 100 events in 18 countries and is in its 9th year internationally.

Women in Aviation International (WAI) is a nonprofit organization dedicated to the encouragement and advancement of women in all aviation and aerospace career fields and interests. Our diverse membership includes astronauts, pilots, maintenance technicians, engineers, air traffic controllers, business owners, educators, journalists, flight attendants, students, air show performers, airport managers and many others. The annual Girls in Aviation Day event has a targeted audience of girls ages 8-17 plus their families but is not inclusive to community members.

We are dedicated to:

- Investing in our current and future workforce
- Developing an inclusive and sustainable aviation and aerospace industry
- Inspiring girls to pursue careers in aviation and aerospace.

Our Mission

The event brings all things aviation to one place so our community may learn about the industry.

Our Vision

For girls and their families to leave with a vision of careers, access to information and pathways to broaden their awareness of all careers in aviation.

Event

Our Women in Aviation Chapter, Alberta Rocky Mountain High, will host a Girls in Aviation Day in Central Alberta at the Red Deer Regional Airport. We have formed an exciting event team dedicated to ensuring the event's success. We are featuring the exciting aviation history, businesses, and tremendous future opportunities of the region. We are excited to share that we had over 800 attendees in our inaugural 2022 year, which was double our

prediction! Feedback from our attendee survey was immensely positive. The excitement for an event in this style is evident.

For 2023, we aim to expand our reach and target local schools in central Alberta, Girl Guides, cadets, and girls in sports.

With your sponsorship, we can grow this event to reach more girls and make this event even more successful.

We warmly extend the opportunity to sponsor our Girls in Aviation Day Event; the details are as follows.

Event: Girls in Aviation Day International

Date: September 23, 2023

Description: Trade show style with interactive activities, food, exhibitors, displays, and fun.

Objective: Provide information to the community on Careers in Aviation and showcase the importance of aviation and opportunities available.

Invitees: Businesses, Post Secondary Institutions, Flight Schools, Careers the Next Generation, Military, Girls ages 8-17 and community members.

Thank you in advance for your support!
